806-792-7380

I hope that a well-planned year will bring success that all of you are wanting. The following items should be read and remembered if we run into a question:

Requirements:

- Be on time for your lesson and respect others who are having lessons and have a ride available within 10 minutes of your lesson's end.
- Attend regularly. Make-up lesson will be given at my discretion. Credit will be given only if I am notified one hour in advance and only due to illness of the child.
- Tuition payments are due on or before the 15th of the month, otherwise, a late fee of \$10 is assessed.
- Check the blog every week for reminders and information. Stay informed. Read all communication carefully. www.lubbockpianoteacher.blogspot.com
- Participation in the studio recitals.
- Practice your assignments carefully at least 30 minutes during the day.
- Bring all materials to lessons.
- Have fun with a good attitude
- Never ever wander around through my house.

Suggestions:

- Participate in contests and festivals and programs suggested by the teacher.
- Have your piano tuned and/or your keyboard in good condition
- Practice with parent involvement at least once a week.
- Keep record of your scores on theory at the computer to plan goals.
- Do not block my driveway.
- If you wait for a family member, bring something of your own to occupy your time without distractions. Not sharing toys and books help keep germs from spreading.

Personal information:

- Lessons begin August 31st and run through May 21st. Any holidays will be noted on my website and confirmed by your billing statement,
- Billing statements will be emailed unless you tell me differently.

- Student affiliate fees are to be paid no later than Sept 15th. (check with me about this)
 - Recitals will be at Jent's House of music. December 11 and in late May.
 - Everyone is charged \$1 monthly to participate in the theory website. I can monitor your participation from my computer. www.musiclearningcommunity.com You will be assigned a password.
 - Please do not bring small children as your guests. Students need to focus on learning.
 - Deadlines are important. Help me know what you want to do and let's never risk missing a deadline.
 - Students have the opportunity to earn money for practice and other special reasons. This year there will be fines for breaking rules and not attending to your obligations. Sometimes I will collect money from you by issuing a ticket.
-

Date _____

Student/students names _____

and I _____ have read and discussed the policy.

Signatures of parent and students _____

I would like my monthly statements emailed ____ given to my child _____.

My current email is _____

My current phone number is _____.
